I am Shreya Harish Shetty currently studying in third year at LJJET, LJ University. I am passionate about technology and programming, and I am excited to apply my skills in real-world projects and contribute to innovative solutions.

After next 3 years, I optimistically see myself as a skilled professional in my working field, gaining hands-on experience, contributing to exciting projects, and continuously learning and growing in my career.

I would like to share my views about adopting new technologies, I am personally interested in data science and machine learning, with a strong passion for Java and Python. My curiosity about AI/ML drives me to explore these areas further, and I am enthusiastic about applying these technologies to real-world problems.

I wish to apply for Yudiz Solution Ltd because it would be a great kickstart for my career. I am eager to learn more, gain valuable experience, and grow in my field, contributing to the company's success while developing my skills and expertise.
